

Public meeting

Climate Change AIR Revolution

Saturday 12 Dec 20:00

@ KlimaForum, DGI-byen, Tietgensgade 65
(very near main rail station)

Speakers

Jonathan Neale, Socialist Workers Party and climate activist
Ian Terry, Vestas worker and occupier from the Isle of Wight, UK
+ more

Why will 34.000 negotiators at the Climate Summit not take action against climate change? What kind of movement do we need to force governments to act? Will we get climate justice with capitalism?

International Socialists

www.socialister.dk

The meeting will be in English. Translation available into Danish, Norwegian, Swedish and Dutch.
